

Hello

- I'm SUN Xiang, I studied in Department of Mathematics of USTC(University of Science and Technology of China) as an undergraduate student from Sept 2004 to July 2008
- I'm Chinese, and I come from Wuhan in Hubei Province
- I'm a new graduate student here, and I expect to study Mathematical Economics
- I have interests in many things, such as football, swimming and computer science, etc., and I hope to make friends with you
- I am not clear with some things, and I wish you could give me some help later. Also if I make some mistakes unintentionally, I hope you will not mind
